

## **Proposal submission**

### **Terms and conditions**

#### **Disclaimer**

By submitting any ideas or other material you agree that Shell does not have any duty to treat such ideas or other material as confidential even when such ideas or other material are marked as or referred to by you as confidential.

Many Governments regulate the export of certain technical data and information. Before submitting technical details of a technology you **MUST** research applicable Export Control laws to assure your submission remains Export Control Compliant. By submitting such details you certify that such technical information is not restricted for export.

All information or advice provided as part of this website is intended to be general in nature. Shell is not liable for any action you may take as a result of relying on such information or advice or for any loss or damage suffered by you as a result of you taking this action.

By submitting your proposal you agree with the above and confirm having read and agreed to our Terms and Conditions and [Privacy Policy](#).

Please ensure that the proposal is compliant with this disclaimer, failure to do so will result in deletion of the proposal and we will not review the proposal.
