

Winners of the Shell Junior National Science Scholars Award Programme announced

2013-01-14

Congratulations to all the winners

Based on the examination conducted on 16th December 2013, here are the winners of the Shell Junior National Science Scholars Award Programme. About 7000 students from over 250 schools took the exam. The national winners will get a one-time scholarship of Rs. 75,000 each while the Regional winners will get a one-time scholarship of Rs. 50,000 each. The prize distribution will be held on Tuesday, January 22, 2013 at New Delhi. The winners will receive individual mails on the award ceremony soon.
