

Terms & Conditions

1. *Shell does not own the product or its formulation; it only provides the service. For any product issue, please contact Bactakleen product support team on site.*
2. The service delivery time (“under 15 minutes”) depends on various factors and conditions at the retail fuel station. Waiting time is excluded.
3. 99% elimination of bacterial germs – tested and proven by CHEMLAB, CHEMSIL, TUV & SGS labs.
4. Non-toxic: tested for impact on skin.

All certifications on claims available on demand at Shell fuel stations providing the service.
